§917.24 Procedure for nominating members of various commodity committees.

(a) The Control Committee shall hold or cause to be held not later than January 31 for peaches and not later than

February 15 for pears of each odd numbered year a meeting or meetings of the growers of the fruits in each representation area set forth in §§917.21 and 917.22. These meetings shall be supervised by the Control Committee, which shall prescribe such procedure as shall be reasonable and fair to all persons concerned.

(b) With respect to each commodity committee only growers of the particular fruit who are present at such nomination meetings or represented at such meetings by duly authorized employees may participate in the nomination and election of nominees for commodity committee members and alternates. Each such grower, including employees of such grower, shall be entitled to cast but one vote for each position to be filled for the representation area in which he produces such fruit. All peach growers, or authorized employees, will receive a ballot for the nominees in the district in which they produce and are entitled to vote accordingly. A peach grower who produces in multiple districts is allowed to vote only in one district, and may exchange his/her ballot for that of nominees in another district provided the grower is producing in the district for which he/she wants to participate. For both commodity committees, each such grower, including employees of such grower, shall be entitled to cast but one vote for each position to be filled for the representation area in which he/she produces such fruit.

(c) A particular grower, including employees of such growers, shall be eligible for membership as principle or alternate to fill only one position on a commodity committee. A grower nominated for membership on the Pear Commodity Committee must have produced at least 51 percent of the pears shipped by him during the previous fiscal period, or he must represent an organization which produced at least 51 percent of the pears shipped by it during such period. The members and alternates of the Peach Commodity Committee shall be growers, or shall be authorized employees of such growers and at least 50% of the nominees from each representation area shall be pure growers.
